

Dear Valued Member,

We sincerely appreciate your continued support of Wyo Fit Clubs. We truly enjoy working every day to help create a motivating and welcoming environment for everyone in our facilities. To continue to meet our standards, we will be implementing a price increase that will take effect December 1st. All members will see a nominal increase of \$3 added to their monthly membership. Paid-in-full members will see this increase added to their membership on the date of their next renewal. If you have joined between the dates of September 1, 2025 and November 30, 2025, then your increase will take effect March 1, 2026.

This membership increase will allow us to continue to invest in our staff, improve our facilities, purchase new equipment, repair equipment in an expedited manner, and provide an environment for our members of which we are proud.

Again, thank you for being a part of the Wyo Fit Clubs family and we look forward to continuing to serve you!
